> ITALY. ROME, August 1.—The first sitting of the Italian and French Commissioners for the negotiation of a treaty of commerce between the two countries was had to-day. The Minister of Foreign Affairs said it was the earnest wish of Italy to arrive at a reasonable arrangement with a nation to whom she is attached by the sincerest friendship. The French Ambassador replied that France de-sired to conclude a treaty which would be advantageous to the mutual interests of both The Papal Nuncio at Paris has been or-

dered not to actively participate in the forthcoming French elections.

MADRID, August 1.—The reply of Minister Camacho to Barthelemy St. Hilaire's last note declares that the outrages on Spanish colonists in Algeria and the losses of French subjects during the civil troubles in Spain and Cuba do not admit of analogy. In the latter case there was time for flight, but the colonists at Sardea, Algeria, were surprised. The French Government, it says, by dismissing several superior officials admitted that the precantions were insufficient. Signor Camacho suggests that France might levy contributions on the Arabs to indemnify the Spaniards,

SOUTH AMERICA levald; "L' Ivices from Lima state that some hillians, recently fell as prisoners into roya railroad beyond the Cordilleras. In retaliation, we suppose, for the shooting of some scoundrels in the Canete Valley, who were known principally as robbers or murderers of their own countrymen and of women and of defenseless Chinamen, these Chilians were horribly outraged. Their ears were cut off and they suffered other and more fiendish mutilations, to which death is nothing in comparison." ENGLAND.

LONDON, August 1.—Thomas H. O'Connor is expected to start ten days hence on an American lecturing tour in the interest o the Irish land agitation. The prospect of Parnell crossing the Atlantic grows daily It is stated that the police are very reticent

in regard to the memorandum book found in possession of McGrath, one of the men incontains a series of memoranda relative to steamers and articles to come by them from the infernal machines, it is inferred that the information which the Home Secretary obtained of the expected arrival of such machines was actually obtained from a perusal of McGrath's memorandum book. At a meeting of the Darlington (Durham county) Branch Land League to-day, a letter from Parnell was read, calling attention to the danger in which Ireland is placed by the erocious state of feeling in England toward Ireland, by the large powers in the hands of the Executive, and by the complete immu-nity from legal check or punishment enjoyed by the agents of the Government when they choose to break the law,

The Lord Mayor to-day received the delegates to the ninth triennial conference of the Young Men's Christian association, at the Mansion House. Earl Shaftesbury was PROCEEDINGS IN PARLIAMENT. There was a large attendance in the House

Land bill. All the leaders were present except Granville, who is indisposed. Carling-ford, Liberal, moved a second reading of the oill in a long speech.

The Marquis of Landsdowne, Liberal, said he regarded the bill as an attempt to quell agrarian aggression by indiscriminate conces ion of proprietorial rights. Lord Inchiquin servative, strongly condemned the it was really an answer to the Land League agitation. He hoped the House would very ord Lytton said the bill was revolutionary nward in a course that must either end in

dent of the Council having defended the bill, the Duke of Argyll moved an adjournment of servatives. He most severely criticised the report was the tenant's improvements were endangered. According to the bill the landord could not even select a site for cottages He became a sort of mortgagee for his own estate, with uncertain security; a sort of head agent for the Land Commission, which was stile to the landlord's interest. Lord Salisbury's speech can be summar ed as follows: He agrees to the bill under the roumstances, but will stand by the amend-

ment for the insertion of a clear definition of fair rent and for the exemption of estates nanaged on the English system, and tennacies of over £100 yearly from the operation of the bill, and for the maintenance of the inviolability of leases.

The Under-Foreign Secretary, replying liminary experiments we found that a bullet like the one in question when in its normal shape produced no audible effect beyond a distance of two and a half inches, while the same bullet flatters are now stated to be under \$50,-Earl Bective, Conservative, said England had received no communication from the the Government was not aware that France had received such a request. This refers to the published statement that England had been asked and had declined to protect the been asked and had declined to protect the Third Race.—One mile. Victim won; Fel-

CINCINNATI, OHIO. Though You Send over Pers Eternity in a Twinkling.

New York, August 1.—A dispatch from Mazatlan, Mexico, gives an account of an explosion in the government magazine there, caused by a guard smoking. The building was situated in the center or business portion of the town. The explosion completely razed the magazine, and destroyed many houses in the immediate vicinity, besides doing considerable damage to a number of others and killing a large number of people. Immediately after the explosion the soldiers and citizens went to work to recover the bedies of zens went to work to recover the bodies of those known to be buried in the ruins. Seventy bodies were recovered, among them Francisco Pena, District Judge. The number of dead and wounded is not yet known, as many bodies are said to be still buried under the ruins.

A regular press dispatch says the whole square was blown up and whole families buried in the ruins. The explosion occurred Thursday last at 6 o'clock a.m. ROBERTSON'S RACKET

Regarding His Course as Collector of

NEW YORK, August 1.-Collector Robertson on taking possession of the Customhouse Monday said: "I certainly shall make no Monday said: "I certainly shall make no change in the force until it has been satisfied by actual experience that such changes would be for the benefit of the public. I propose to conduct my official business on principles, and do everything in my power to increase the efficiency of service. No promises of appointment have been made by me or by my authority, and none will be made until I have learned the rules of service. I do not wish to make great promises of what I propose to accomplish, but I intend this office shall be administered in the mutual interests of the Government and of mutual interests of the Government and of the merchants whose business brings them in connection with it. Changes of course will be made, but not until I am satisfied they

will be of advantage to the service.

A Chicago Negro's Idea of Observing Emancipation Day.

CHICAGO, August 1 .- This being Emancipation day, the negroes made considerable display, and as the event proved stirred up considerable bad blood. A disreputable colored man named Jerry Milligan took a walk with a colored woman named Anna Kendrick, of equally unsavory repute, when Dennis O'Mahony, a switchman; James O'Mara, another railroad employe, and Frank Lyons, a boilermaker, who were on a spree, fell in behind and indulged in insolent language, which the negro resented by drawing a pistol and firing two shots, one of which killed O'Mahony, and the other sent O'Mara to the particular with a language of the control with a lang hospital with a dangerous and perhaps fatal wound in the head. Both negroes were arrested. The parties tell different stories, but the facts seem to be about as stated.

OFF TO THE WARS.

seat of trouble in Perry county, owing to the isolated locality, is meager. Perryville is fifteen miles from Morrillton, the nearest telegraph station. No news can be received to-night. Twenty-four members of the Quepaw Guards left for the seat of war Saturday evening, but the boat got stuck on a sandbar and did not reach its destination until thi evening. The city is wild with rumors but they cannot be traced to authoritative sources. One report says County Judge Harris and three citizens were assassinated on the streets of Perryville to-day. Governor Churchill this morning issued the following

Sergeant J. W. Tucker will proceed at once

to Perryville with the remaining men that he can collect together of the Quepaw Guards and report to Captain John Walters for duty.

L. J. CHURCHILL,
Governor and Commander in Chief. The troops will leave for Morrillton on the train at daylight to-morrow, and march from thence to Perryville.
